Any additional comments you think are important for the DAN Research Staff to know:

Please attach with this application:

- Curriculum vitae/resume
- Copies of insurances that you currently have (automobile, health, dive)
- Two letters of recommendation (preferably one addressing academics and one work/professional experience)
note: letters of reference should be submitted directly to DAN Research
- A cover letter (no more than two pages in length; 11 pitch font) introducing yourself, your commitment to diving, your goals and aspirations (short and long term), and how the DAN research internship can contribute to your professional development.

To submit this application and supporting documents:

via email (preferred), send to research@dan.org

or by mail to Divers Alert Network – Research Department
6 West Colony Place
Durham, NC 27705
